Email Group, Club communication. Google group. Facebook page. Group text. How do we reach the congregation and know that everyone is getting the information?

Meetings Venue. Do we need to relocate meeting place? Does the location dictate the attendance? How do we boost attendance. Lessen number of meetings? Different format? Officer only meetings with info shared to Club? Looking for ideas.

Tournament Attendance numbers are down, how do we boost that. What happens if we increase cost? Increase payouts? Does the location dictate attendance? Reduce the number held each season? Different format?

Dues, can we survive a dues increase to cover increased expense? Currently only \$10 of dues goes to CBC General Fund. Only other sources we get funds are from Tournaments and FMO.
